One-fifth (1/5) undivided interest in two certain parcels of land situate off Livingston Road in said Wellesley, being bounded and described as follows:

PARCEL 1

Commencing at the Southeasterly corner of the parcel, thence running in a Northerly direction 332.45 feet along curved lines by the Westerly side line of a 40 foot way; thence running in a Westerly direction approximately 490 feet by other land of the grantor to the Charles River; thence in a Southerly direction approximately 320 feet; thence Easterly by land now or formerly of Greywall Trust approximately 442.23 feet to the point of beginning.

Containing 3.3 acres more or less.

PARCEL 2

Commencing at the Southwesterly corner of the parcel, thence running in an Easterly direction by two lines totalling 320.68 feet by land now or formerly of Greywall Trust; thence Northerly by land now or formerly of George A. Ott et al along two lines totalling approximately 755 feet; thence Westerly by land now or formerly of Bernard C. Containing 4.8 acres more or less.

Together with a right of passage over the said 40 foot way, said right to be exercised in common with others entitled thereto.

Being the same premises conveyed to me then known as Lucy L. White by deed of Susan Lee dated June 9, 1949 and recorded with Norfolk Registry of Deeds in Book 2851, Page 426.

By the acceptance hereof and in consideration hereof, the grantee herein disclaims and/or releases any and all right, title and interest in and to a strip of land 30 feet in width, the Southerly line of which is coincident with the Northerly line of Lot D, shown on a plan herein-after described, marked S 87° 16' 28" E and said line projected Westerly on the same course until it strikes the Easterly line of Lot C-1, shown on said plan, and said line projected Easterly until it strikes the driveway marked as Lee Road, on said plan; and its rights and interest in the driveway marked as Lee Road, on said plan, running from said Lot D to Dover Street as the same now exists, the approximate location of which is shown on said plan by dotted lines, all of which rights and interests the grantee herein may have acquired by inference in previous deeds from

the grantor herein dated December 31, 1960, September 13, 1961 and October 5, 1962, duly recorded with Norfolk Deeds in Book 3870, Page 636, Book 3937, Page 678 and Book 4023, Page 540, respectively, in which deeds it was the intention of the grantor not to grant any rights to the grantee in and to said 30 foot strip of land and Lee Road, and the specific omission of granting such rights was deliberate and intentional. The plan hereinbefore mentioned is entitled "A Compiled Plan of Land in Wellesley and Needham, Mass." dated July 3, 1949, by Everett M. Brooks Co., Civil Engineers, recorded with said Deeds as Plan #625 of 1949 in Plan Book 152.

The consideration for this deed being less than \$100 no revenue stamps are required by law.
