

## Shrubs and Vines Native to the Northeast

This list is a supplement to the webinar "Problems with Invasive Shrubs: Identify, Remove, and Replace" presented by Cricket Vlass for the Wellesley Conservation Land Trust

(Plants printed in bold were covered in talk)

<b>Common Name</b>	<b>Botanical Name</b>
Speckled Alder	<i>Alnus incana</i>
Shadblow	<i>Amelanchier canadensis</i>
<b>Red Chokeberry</b>	<b><i>Aronia arbutifolia</i></b>
Black Chokeberry	<i>Aronia melanocarpa</i>
Groundsel-bush	<i>Baccharis halimifolia</i>
New Jersey Tea	<i>Ceanothus americanus</i>
White Fringetree	<i>Chionanthus virginicus</i>
<b>Summersweet</b>	<b><i>Clethra alnifolia</i></b>
Sweet Fern	<i>Comptonia peregrina</i>
American Hazelnut	<i>Corylus americana</i>
Beaked Hazel	<i>Corylus cornuta</i>
Northern Bush-Honeysuckle	<i>Diervilla lonicera</i>
Leatherwood	<i>Dirca palustris</i>
Eastern Wahoo	<i>Euonymus atropurpureus</i>
<b>Dwarf Fothergilla</b>	<b><i>Fothergilla gardenii</i></b>
<b>Large Fothergilla</b>	<b><i>Fothergilla major</i></b>
Black Huckleberry	<i>Gaylussacia baccata</i>
<b>Common Witchhazel</b>	<b><i>Hamamelis virginiana</i></b>
<b>Smooth Hydrangea</b>	<b><i>Hydrangea arborescens</i></b>
<b>Oakleaf Hydrangea</b>	<b><i>Hydrangea quercifolia</i></b>
Mountain Holly	<i>Ilex mucronata</i>
<b>Common Winterberry</b>	<b><i>Ilex verticillata</i></b>
<b>Virginia Sweetspire</b>	<b><i>Itea virginica</i></b>
<b>Spicebush</b>	<b><i>Lindera benzoin</i></b>
American Fly Honeysuckle	<i>Lonicera canadensis</i>
<b>Small Bayberry</b>	<b><i>Morella (Myrica) caroliniensis</i></b>
Sweet Gale	<i>Myrica gale</i>
<b>Common Ninebark</b>	<b><i>Physocarpus opulifolius</i></b>
Bush Cinquefoil	<i>Potentilla (Dasiphora) fruticosa</i>
Beach Plum	<i>Prunus maritima</i>
Creeping Sand Cherry	<i>Prunus pumila</i> var <i>depressa</i>
Common Chokecherry	<i>Prunus virginiana</i>
Rhodora	<i>Rhododendron canadense</i>
Pinxterbloom Azalea	<i>Rhododendron periclymenoides</i>
Swamp Azalea	<i>Rhododendron viscosum</i>
<b>Fragrant Sumac</b>	<b><i>Rhus aromatica</i></b>
Flameleaf Sumac	<i>Rhus copallina</i>
Smooth Sumac	<i>Rhus glabra</i>
Staghorn Sumac	<i>Rhus typhina</i>
Meadow Rose	<i>Rosa blanda</i>
Carolina, Pasture Rose	<i>Rosa carolina</i>
Swamp Rose	<i>Rosa palustris</i>
<b>Virginia Rose</b>	<b><i>Rosa virginiana</i></b>
Northern Dewberry	<i>Rubus flagellaris</i>
Swamp Dewberry	<i>Rubus hispidus</i>
American Red Raspberry	<i>Rubus idaeus</i>
Black Raspberry	<i>Rubus occidentalis</i>

Pink Flowering Raspberry	<i>Rubus odoratus</i>
Sageleaf Willow	<i>Salix candida</i>
Pussy Willow	<i>Salix discolor</i>
American Elder	<i>Sambucus canadensis</i>
Upland Elderberry	<i>Sambucus racemosa</i>
Common Greenbriar	<i>Smilax rotundifolia</i>
Broad-leaved Meadowsweet	<i>Spiraea latifolia</i>
Steeplebush	<i>Spiraea tomentosa</i>
American Bladdernut	<i>Staphylea trifolia</i>
Silky Dogwood	<i>Swida amomum</i>
Gray Dogwood	<i>Swida racemosa</i>
Round-leaved Dogwood	<i>Swida rugosa</i>
<b>Redosier Dogwood</b>	<b><i>Swida sericea</i></b>
Common Snowberry	<i>Symphoricarpos albus</i>
<b>Highbush Blueberry</b>	<b><i>Vaccinium corymbosum</i></b>
American Cranberry	<i>Vaccinium macrocarpon</i>
Mapleleaf Viburnum	<i>Viburnum acerifolium</i>
Arrowwood	<i>Viburnum dentatum</i>
Nannyberry Viburnum	<i>Viburnum lentago</i>
<b>Smooth Witherod</b>	<b><i>Viburnum nudum</i></b>
Blackhaw Viburnum	<i>Viburnum prunifolium</i>
American Cranberrybush	<i>Viburnum opulus var. americanum</i>

### **Shrubs - Evergreen**

Bearberry	<i>Arctostaphylos uva-ursi</i>
Creeping Wintergreen	<i>Gaultheria procumbens</i>
<b>Inkberry</b>	<b><i>Ilex glabra</i></b>
Common Juniper	<i>Juniperus communis</i>
Creeping Juniper	<i>Juniperus horizontalis</i>
Eastern Redcedar	<i>Juniperus virginiana</i>
Sheeplaurel	<i>Kalmia angustifolia</i>
Mountain Laurel	<i>Kalmia latifolia</i>
Labrador Tea	<i>Rhododendron groenlandicum</i>
<b>Rosebay Rhododendron</b>	<b><i>Rhododendron maximum</i></b>
Canadian Yew	<i>Taxus canadensis</i>
Eastern Arborvitae	<i>Thuja occidentalis</i>

### **Vines:**

Allegheny Fleece Vine	<i>Adlumia fungosa</i>
Groundnut	<i>Apios americana</i>
<b>American Bittersweet</b>	<b><i>Celastrus scandens</i></b>
Virgin's Bower	<i>Clematis virginiana</i>
<b>Trumpet Honeysuckle</b>	<b><i>Lonicera sempervirens</i></b>
Common Moonseed	<i>Menispermum canadense</i>
<b>Virginia Creeper (Woodbine)</b>	<b><i>Parthenocissus quinquefolia</i></b>
<b>Poison-ivy</b>	<b><i>Toxicodendron radicans</i></b>
Summer Grape	<i>Vitis aestivalis</i>
Fox Grape	<i>Vitis labruscas</i>
Riverbank Grape	<i>Vitis riparia</i>

Listed plants are considered native to New England, New York, Pennsylvania
